

EZ-Fit[®] *Cup Dispensers*

One Size Fits All

SAN JAMAR
Smart ◀ Safe ◀ Sanitary

One Size Fits All

- The EZ solution from San Jamar for all of your cup dispensing needs. Whatever the size; whatever the type – foam, paper or plastic; or whatever the mounting need – horizontal or vertical, our EZ-Fit® cup dispensing solution is YOUR answer.
- Our EZ-to-change patented gaskets seal cups avoiding contamination. The quick release collar offers EZ cup counting and counter cleaning. The no-jam cup holder and tangle-free spring protect cups and the EZ-to-remove bottom assists in ease of cleaning.
- NSF listed EZ-Fit® cup dispensers can be fully disassembled without tools, allowing for quick and EZ clean-ups.

C2410C also available with black gaskets.

EZ-Fit[®] Cup Dispensers

Ideal For:

- **Fast Food Restaurants**
- **Convenience Stores**
- **Entertainment Locations**
- **Coffee Stations**
- **Recreation Facilities**
- **Anywhere Cups Are Dispensed!**

EZ-Fit[®] Deli Cup Dispenser

Ideal for deli locations. Self-adjusting dispenser will dispense bowls, deli containers and large cups. In-counter and box system available.

EZ-Fit[®] One Size Fits All Cup Dispenser

A no-worry solution to all of your cup dispensing needs with one hole size for all applications.

EZ-Fit[®] Cup Dispenser Box System

Ideal for organizing high volume beverage stations. Gives flexibility to change beverage cups without cutting holes into counters. Available in stainless steel or black plastic models.

EZ-Fit[®] "Euro" One Size Fits All Cup Dispenser

Dispenses a variety of hot~cold cups with a smaller profile. Ideal for coffee stations because it's "foam friendly". In-counter and box system available.

EZ-Fit[®] Portion Cup Dispenser

Organize condiment centers. Allows one-at-a-time dispensing of paper and plastic portion cups. In-counter and box system available.
