

8” x 3.5” x 10.5” Clear Hairnet Dispensers

ACR's Clear Plastic Hairnet Dispenser offers a convenient and hygienic solution for storing and dispensing hairnets in busy work environments. Designed to keep hairnets easily accessible, this dispenser ensures quick and organized distribution while maintaining cleanliness. The clear plastic construction allows for easy monitoring of supply levels, so you'll always know when it's time to restock. Ideal for foodservice kitchens, healthcare facilities, and manufacturing environments, this dispenser helps streamline operations and ensures that hygiene standards are consistently met. Its durable, wall-mountable design makes it a practical addition to any workspace.
