Tork Xpressnap Fit® Tabletop Napkin Dispenser

Run your business more efficiently. Tork Xpressnap Fit® Napkin Dispensers are ideal for small chains and independent restaurants that offer napkins at the table or on counter. Our most compact Xpressnap system ever has one-at-a-time napkin dispensing with equal savings in waste and napkins. Tork Xpressnap Fit® not only serves more guests between refills – compared to tallfold and minifold systems – it also cuts inventory space and reduces un-used napkins thrown-away.

- A full size napkin is folded to fit the small footprint dispenser
- AD-A-Glance® customizable display window serves as an advertising tool to promote your products and engage with your guests.
- The level indicator shows when it is time to refill, enabling 100% napkin availability. No more running out of napkins during peak times of day.
- A durable and easy to clean dispenser reduces time for maintenance and protects napkins from dirt and spills

Think ahead.
