

- Flame Free™ Thermo-Urn™ 3-Gallon Vacuum Insulated Urn with ...

3-gallon capacity supports extended beverage service in high-end hospitality settings. Stainless vacuum insulation ensures drinks stay hot and flavorful for over 6 hours. NSF-listed polished stainless steel spigot provides smooth, mess-free dispensing. Brew plate prevents splashing, ensuring a professional beverage station. PVD-coated Black Onyx stainless steel finish adds a mo...

MARKETING

The Flame Free™ Thermo-Urn™ in Metallic Elements Black Onyx with Modern Legs and a Classic Lid combines modern elegance with timeless functionality, making it a standout option for luxury catering, formal receptions, and high-end beverage stations. The 3-gallon capacity allows for extended service, while stainless vacuum insulation keeps beverages hot and fresh for over 6 hours without requiring fuel or electricity. The NSF-listed polished stainless steel spigot ensures smooth, precise pouring, and the brew plate minimizes mess, maintaining a clean and organized setup. The PVD-coated Black Onyx stainless steel finish exudes contemporary luxury, while the high-polished zinc-plated Modern Legs offer a sle...
