

- Flame Free™ Thermo-Urn™ 3-Gallon Vacuum Insulated Urn with ...

3-gallon capacity ensures high-volume beverage service with a sophisticated edge. Stainless vacuum insulation keeps drinks hot and flavorful for over 6 hours. NSF-listed polished stainless steel spigot ensures effortless, controlled pouring. Brew plate prevents splashes and drips, keeping stations neat and polished. PVD-coated Black Onyx stainless steel adds a bold, modern touc...

MARKETING

The Flame Free™ Thermo-Urn™ in Metallic Elements Black Onyx with Modern Legs and a Flat Lid blends bold aesthetics with premium performance, making it a perfect choice for executive dining, fine catering, and luxury hospitality. The 3-gallon capacity ensures ample beverage availability, while stainless vacuum insulation keeps drinks hot and flavorful for over 6 hours. The NSF-listed polished stainless steel spigot allows for precise, controlled dispensing, and the brew plate prevents splashing, ensuring a polished and mess-free service station. The PVD-coated Black Onyx stainless steel finish offers a dramatic yet refined look, while the high-polished zinc-plated Modern Legs provide a sleek yet sturdy base that remains lightweight...
