1.5-gallon capacity balances portability with professional beverage service. Stainless vacuum insulation maintains heat and flavor for over 6 hours. NSF-listed polished stainless steel spigot ensures effortless, controlled dispensing. Brew plate minimizes splashes and drips, maintaining a polished presentation. PVD-coated Black Onyx stainless steel offers a sophisticated, moder...

MARKETING

The Flame Free™ Thermo-Urn™ in Metallic Elements Black Onyx with Modern Legs and a Classic Lid blends timeless elegance with modern performance, making it a versatile option for high-end buffets, luxury dining, and corporate events. The 1.5-gallon capacity ensures efficient service, while stainless vacuum insulation keeps beverages hot for over 6 hours without requiring external heat. The NSF-listed polished stainless steel spigot allows for precise, mess-free pouring, and the brew plate helps prevent splashes, keeping the service area clean. The PVD-coated Black Onyx stainless steel finish exudes understated luxury, while the lightweight aluminum Modern Legs provide stability and portability. The classic lid preser...
