

- Flame Free™ Thermo-Urn™ 3-Gallon Vacuum Insulated Urn with ...

3-gallon capacity allows for extended beverage service in upscale venues. Stainless vacuum insulation preserves heat and flavor for over 6 hours. NSF-listed polished stainless steel spigot delivers smooth, controlled pouring. Brew plate minimizes splashing and maintains a polished service area. Polished stainless steel finish enhances durability while resisting fingerprints. Hi...

MARKETING

Designed to blend traditional elegance with modern efficiency, the Flame Free™ Thermo-Urn™ in Polished Stainless with Modern Legs and a Classic Lid is a versatile choice for luxury buffets, formal events, and hospitality venues. The 3-gallon capacity makes it ideal for extended beverage service, while stainless vacuum insulation ensures beverages remain hot and fresh for over 6 hours without external heat sources. The NSF-listed polished stainless steel spigot provides effortless, mess-free dispensing, and the brew plate helps prevent spills, maintaining a clean and professional station. The polished stainless steel body resists fingerprints and maintains its shine, while the high-polished zinc-plated Modern Legs offer ...
