1.5-gallon capacity is ideal for modern hospitality and high-end service stations. Stainless vacuum insulation keeps drinks hot and fresh for over 6 hours. NSF-listed polished stainless steel spigot allows for seamless, mess-free pouring. Brew plate minimizes splashing and drips for a clean, professional setup. PVD-coated Black Onyx stainless steel maintains a bold, fingerprint...

MARKETING

Combining sleek minimalism with high-performance insulation, the Flame Free™ Thermo-Urn™ in Metallic Elements Black Onyx with Modern Legs and a Flat Lid is perfect for executive events, fine dining, and contemporary hospitality settings. With a 1.5-gallon capacity, it offers compact yet efficient beverage service, while stainless vacuum insulation keeps beverages hot and fresh for over 6 hours without the need for electricity or flame. The NSF-listed polished stainless steel spigot ensures controlled dispensing, and the brew plate prevents splashing, maintaining a clean and professional station. The PVD-coated Black Onyx finish provides a bold, refined aesthetic, resistant to fingerprints and daily wear. The l...
