

- Flame Free™ Thermo-Urn™ 3-Gallon Vacuum Insulated Urn with ...

3-gallon capacity supports extended beverage service with a refined, bold presentation. Stainless vacuum insulation preserves heat and beverage quality for over 6 hours. NSF-listed polished stainless steel spigot ensures smooth, controlled pouring. Brew plate prevents splashing, maintaining a clean and professional setup. Powder-coated black stainless steel finish adds a modern...

MARKETING

The Flame Free™ Thermo-Urn™ in Powder-Coated Black with Modern Legs and a Classic Lid brings timeless elegance with a bold, modern twist, making it a perfect choice for upscale catering, high-end hospitality, and formal beverage service. The 3-gallon capacity ensures ample beverage availability, while stainless vacuum insulation keeps drinks hot and flavorful for over 6 hours without the need for an external heat source. The NSF-listed polished stainless steel spigot allows for controlled, mess-free dispensing, and the brew plate minimizes splashing, keeping service areas clean. The powder-coated black stainless steel finish provides a durable, smudge-resistant look, while the high-polished zinc-plated Mod...
