

- Flame Free™ Thermo-Urn™ 3-Gallon Vacuum Insulated Urn with ...

3-gallon capacity ensures efficient beverage service for high-volume events. Stainless vacuum insulation keeps beverages hot and flavorful for over 6 hours. NSF-listed polished stainless steel spigot ensures smooth, controlled pouring. Brew plate minimizes splashing and drips, keeping the station clean and professional. Polished stainless steel finish maintains a sleek, smudge-

MARKETING

The Flame Free™ Thermo-Urn™ in Polished Stainless with Modern Legs and a Flat Lid is designed for high-volume beverage service with a sleek, contemporary aesthetic. With a 3-gallon capacity, it provides ample serving capability, making it ideal for banquets, conferences, and hotel breakfast stations. Stainless vacuum insulation keeps coffee and tea hot for over 6 hours, ensuring quality without the need for fuel or electricity. The NSF-listed polished stainless steel spigot allows for precise, mess-free dispensing, while the brew plate helps control splashes, maintaining a tidy and efficient station. The polished stainless steel body resists fingerprints and maintains a clean appearance, while the high-polished zinc-plated Modern L...
