3-gallon capacity allows for efficient beverage service in upscale venues. Stainless vacuum insulation maintains heat and beverage freshness for over 6 hours. NSF-listed polished stainless steel spigot ensures effortless, mess-free dispensing. Brew plate prevents splashes and drips, keeping service stations polished and professional. Powder-coated white stainless steel finish o...

MARKETING

The Flame Free™ Thermo-Urn™ in Powder-Coated White with Modern Legs and a Flat Lid combines modern minimalism with premium insulation, making it an excellent choice for contemporary hospitality, fine dining, and formal beverage stations. The 3-gallon capacity ensures extended service, while stainless vacuum insulation keeps drinks hot for over 6 hours. The NSF-listed polished stainless steel spigot provides smooth, mess-free dispensing, while the brew plate prevents splashing, maintaining a polished and clean station. The powder-coated white stainless steel finish delivers a sophisticated, bright aesthetic, while the high-polished zinc-plated Modern Legs provide stability with a refined touch, remainin...
