

- Flame Free™ Thermo-Urn™ 1.5-Gallon Vacuum Insulated Urn wit...

1.5-gallon capacity is ideal for smaller-scale, high-end beverage service. Stainless vacuum insulation retains heat for 6+ hours while preserving flavor. NSF-listed polished stainless steel spigot allows for effortless, mess-free dispensing. Brew plate prevents splashing and keeps beverage stations clean and organized. Modern aluminum legs provide a sleek yet durable structure ...

MARKETING

The Polished Stainless Flame Free™ Thermo-Urn™ with Modern Legs and a Classic Lid offers a refined balance of traditional elegance and modern efficiency, making it a versatile option for high-end buffets, hotels, and catering events. With a 1.5-gallon capacity, this urn is perfect for smaller-scale beverage service while maintaining long-lasting heat retention for 6+ hours using stainless vacuum insulation. The NSF-listed polished stainless steel spigot provides smooth, controlled dispensing, while the brew plate minimizes splashing for a cleaner service area. The classic lid adds a timeless touch, while the lightweight aluminum Modern Legs make it easy to transport and reposition as needed.
