

- Flame Free™ Thermo-Urn™ 1.5 Gal. Vacuum Insulated Urn with ...

1.5-gallon capacity provides efficient service in smaller-scale operations. Stainless vacuum insulation maintains heat and freshness for 6+ hours. NSF-listed polished stainless steel spigot delivers smooth, mess-free dispensing. Brew plate reduces splashing and drips for a cleaner beverage station. Modern aluminum legs offer a contemporary look while making the urn lightweight...

MARKETING

Featuring a polished stainless finish, Modern Legs, and a Flat Lid, this 1.5-gallon Flame Free™ Thermo-Urn™ delivers long-lasting heat retention without the need for fuel or electricity, making it a smart and stylish choice for professional foodservice. Stainless vacuum insulation ensures beverages stay hot and fresh for 6+ hours, while the NSF-listed polished stainless steel spigot allows for smooth, controlled pouring. The brew plate helps prevent splashing and drips, keeping beverage stations clean and efficient. The flat lid provides a modern, low-profile aesthetic, and the lightweight aluminum Modern Legs make transport effortless for flexible event setups.
