

- Flame Free™ Thermo-Urn™ 3-Gallon Vacuum Insulated Urn with ...

3-gallon capacity ensures large-scale beverage service with a modern aesthetic. Stainless vacuum insulation keeps beverages hot and fresh for over 6 hours. NSF-listed polished stainless steel spigot ensures effortless, mess-free pouring. Brew plate prevents splashing, maintaining a polished and professional station. Powder-coated black stainless steel finish offers durability a...

MARKETING

The Flame Free™ Thermo-Urn™ in Powder-Coated Black with Modern Legs and a Flat Lid combines minimalist aesthetics with superior functionality, making it an ideal choice for fine dining, executive conferences, and high-end catering. The 3-gallon capacity ensures ample beverage service, while stainless vacuum insulation keeps drinks hot for over 6 hours without requiring external heat sources. The NSF-listed polished stainless steel spigot allows for smooth, controlled dispensing, and the brew plate prevents splashing, keeping the station clean. The powder-coated black finish provides a matte, fingerprint-resistant surface, while the high-polished zinc-plated Modern Legs offer a sturdy yet lightweight foundation for easy tr...
