

- Flame Free™ Thermo-Urn™ 3-Gallon Vacuum Insulated Urn with ...

3-gallon capacity ensures efficient beverage service for professional settings. Stainless vacuum insulation preserves heat and flavor for over 6 hours. NSF-listed polished stainless steel spigot allows for seamless, controlled dispensing. Brew plate reduces splashing and drips for a cleaner beverage station. Brushed stainless steel finish maintains a sleek, fingerprint-resistan...

MARKETING

The Flame Free™ Thermo-Urn™ in Brushed Stainless with Modern Legs and a Flat Lid offers a perfect combination of modern design and practical efficiency, making it ideal for conferences, banquets, and executive meeting rooms. The 3-gallon capacity provides ample beverage service, while stainless vacuum insulation ensures drinks remain hot and full of flavor for over 6 hours without external heat sources. The NSF-listed polished stainless steel spigot allows for smooth, mess-free pouring, while the brew plate helps prevent splashes, keeping serving areas clean. The brushed stainless steel finish resists smudges, ensuring a professional presentation. The high-polished zinc-plated Modern Legs provide a sturdy yet...
