1.5-gallon capacity supports continuous dairy service in high-volume areas. Vacuum insulation keeps beverages cold for 8+ hours without refrigeration. Brushed stainless finish provides a clean, upscale presentation. Modern leg design complements contemporary buffet and coffee station layouts. Compatible with Flame Free™ Thermo-Urn™ leg system for cohesive setups. NSF listed for...

MARKETING

Designed for foodservice professionals, the Thermo-Urn™ 1.5-Gallon Dairy Dispenser with Modern Leg in Brushed Stainless blends clean styling with dependable cold-holding performance. Its vacuum-insulated stainless-steel body keeps milk chilled for over 8 hours without refrigeration or ice, supporting efficient buffet and coffee station service. The brushed stainless finish offers an elevated, modern aesthetic, while the contemporary leg base coordinates seamlessly with Flame Free™ Thermo-Urn™ components. NSF listed and easy to clean, it delivers reliable, stylish cold milk presentation.
