MARKETING

The Thermo-Urn™ 1.5-Gallon Dairy Dispenser with Regal Leg in Brushed Stainless delivers a classic, elevated look ideal for traditional buffet and hospitality settings. Its vacuum-insulated body maintains cold temperatures for more than 8 hours, ensuring milk stays safe and refreshing throughout service. The brushed stainless exterior adds durability and refined style, while the Regal leg base introduces a touch of traditional elegance. Fully compatible with other Flame Free™ components and NSF listed, this dispenser offers dependable, professional-grade cold milk service.
