Essential Stand design reduces footprint and lowers overall system cost. Vacuum-insulated stainless body keeps dairy cold for 8+ hours without ice. Integrated drip tray helps maintain cleaner beverage stations. Brushed stainless finish offers durability with a polished visual appeal. Compatible with Flame Free™ Thermo-Urn™ styling for cohesive setups. 1.5-gallon capacity suppor...

MARKETING

Designed for efficient and cost-conscious foodservice operations, the Thermo-Urn™ 1.5-Gallon Dairy Dispenser with Essential Stand in Brushed Stainless delivers dependable cold-holding performance in a compact footprint. Its insulated stainless-steel body keeps milk chilled for more than 8 hours without ice or refrigeration, while the Essential Stand offers a space-saving, budget-friendly design ideal for busy buffet and beverage stations. A built-in drip tray helps maintain cleanliness and reduces mess. NSF listed and durable, it provides practical, streamlined dairy service for commercial environments.
