

- Thermo-Urn™ Dairy Dispenser 1.5-Gallon Vacuum Insulated Dis...

Vacuum insulation keeps milk cold for 8+ hours without refrigeration. Bright white finish delivers a clean, modern presentation. Modern leg adds contemporary style for elevated buffet layouts. Pairs with Flame Free™ Thermo-Urns for cohesive beverage setups. 1.5-gallon capacity suits high-volume dairy service areas. Easy-clean construction supports efficient daily operation

MARKETING

Designed for clean, contemporary beverage service, the Thermo-Urn™ 1.5-Gallon Dairy Dispenser with Modern Leg in White combines sleek styling with dependable cold-holding performance. Its vacuum-insulated body keeps milk chilled for more than 8 hours without ice or refrigeration, making it ideal for buffets and coffee stations. The bright white finish offers a crisp, modern look, while the contemporary leg base coordinates seamlessly with Flame Free™ components. Durable and easy to maintain, this dispenser brings reliable, streamlined dairy service to professional environments.
