

- Thermo-Urn™ Dairy Dispenser 1.5-Gallon Vacuum Insulated Dis...

Rounded leg design delivers balanced support with approachable style. Vacuum insulation holds chilled temperatures for 8+ hours. White finish blends easily with a variety of service layouts. Works with Flame Free™ Thermo-Urn™ components for consistency. 1.5-gallon capacity suits busy buffet and café service. Durable and easy to clean for everyday use

MARKETING

Simple, sturdy, and versatile, the Thermo-Urn™ 1.5-Gallon Dairy Dispenser with Round Leg in White is designed for a wide range of foodservice environments. Its insulated stainless body maintains cold temperatures for more than 8 hours, supporting dependable dairy service for buffets, coffee bars, and breakfast setups. The clean white finish provides a fresh, approachable look, while the rounded leg base offers balanced support that fits both casual and elevated settings. Easy to maintain and compatible with Flame Free™ components, it integrates seamlessly into existing beverage stations.
