

- Modern Edge Large 14" Round Serving Tray in Black Onyx

14" diameter is ideal for serving multiple drinks, appetizers, or plated meals. High-polished Black Onyx finish from the Metallic Elements Collection creates a striking and modern look. Removable textured rubber insert prevents slipping and enhances stability. Stackable for efficient storage and organization. Dishwasher safe for hassle-free cleaning. Made from durable 18/8 stai...

MARKETING

Make a bold impression with the Modern Edge Large Round Serving Tray in Black Onyx. Its sleek, high-polished finish, part of the Metallic Elements Collection, offers a dramatic contrast to plated food and drink presentations. Measuring 14" in diameter, it is designed for large-scale beverage service, catering events, and fine dining establishments. The removable textured rubber insert prevents slipping, ensuring stability during transport. Dishwasher safe and stackable, this tray is a perfect blend of style and efficiency for modern foodservice environments.
