Constructed from durable 18/8 stainless steel for professional use

MARKETING

The Modern Edge Small Round Serving Tray in Polished Stainless delivers a classic and versatile serving solution for commercial foodservice. Its 9" size is well-suited for cocktail service, appetizer presentations, and individual plate offerings. The high-polished stainless finish provides a timeless look that pairs well with any setting, while the removable textured rubber insert ensures slip-resistant stability. Built for durability and stackability, this tray is a must-have for restaurants, hotels, and catering operations. Designed for convenience, it is also dishwasher safe for easy maintenance.
