

Details For Model: EALUM-7

Aluminum Wheel Chock 11-3/4 In. x 7 In. x 8 In. Silver

The aluminum wheel chock is ideal for maintenance and industrial facilities. The functional design allows the user to brace the wheels, preventing the unit from moving and jostling. The open construction provides an efficient way of transporting.

- Extruded aluminum construction is strong yet lightweight
- Open design provides an optional attaching safety chain
- Rugged bottom includes cleats for extra grip
- Serrated top provides extra tire grip
