## Details For Model: L-220-DC-HD

## Steel DC Powered Tote Lift 62-3/4 In. x 20-1/2 In. x 46-1/2 In. 3000 Lb. Capacity Blue

The tote lifter is designed to lift open bottom skids, boxes, and baskets. Lifter is DC power with rocker switch to raise or lower. This DC powered unit includes an on-board battery charger. The side stabilizers lock lift in place when load is raised over a certain height.

- Solid steel construction provides long lasting rugged use
- Automatic stabilizers engage when forks reach specific height
- Stabilizers design prevent unit from moving
- Front rollers and two rear swivel casters allow for easy portability
