Product Notes

Packaging Details

<p>*Length w/o handles: 12.125" (31 cm)</p><p>*Trays are stackable.</p>

An easy peel piece UPC label is applied to the underside of each tray, each tray is then placed into a poly bag. Poly bags with an opening larger than 5"/12.70cm require two punched holes and a multilingual suffocation warning. Trays are nested together, a poly foam sheet is placed in between each tray. There are 6 each per inner (5-Ply) and 12 each per master (5-Ply). Two UPC labels are applied to adjacent corners of each inner, and master carton.
