Product Notes	Packaging Details
Dishwasher safe.	An easy peel individual UPC barcode label should be placed on the bottom of the product, then each unit is placed in a polybag. Poly bags may be either heat sealed or taped closed, and require two punched holes and multilingual suffocation warnings. Then each unit is separated with foam sheets. Product is then packaged 4 Each per inner carton (5 Ply Corrugated) and 8 Each per master carton (5 Ply Corrugated). A total of four UPC labels are applied to two opposite corners of each inner and master carton.
