Connoisseur™ 825

Beverage Series

Engineered for Busy Kitchens

Designed for professional-grade performance, this blender delivers power, precision, and durability in busy commercial environments. Equipped with a sound enclosure for reducing noise makes it the perfect choice. Achieve consistent, high-quality results with ease.

Preprogrammed and Customizable Cycles For Consistent Results

50 preprogrammed cycles blend your most popular recipes with amazing consistency, and our downloadable tool allows you to create an unlimited number of customized recipes.

Sound Enclosure Reduces Blending Noise

For shops where noise is a consideration, the sound enclosure minimizes blender noise, helping create a more conversation-friendly atmosphere.

Counter-Top And In-Counter Options Available.
