

# First Aid with QuickTreat Dispensers

Reduce the spread of germs while treating first aid emergencies with the innovative **First Aid Kit with QuickTreat Dispensers**.

The clear front kit dispenses bandages and BZK with simple pull and go technology, reducing the frequency of opening the kit.

The pull and go technology allows you to grab two of the most frequently needed items by sliding them out from the cover.

## Product Features

- Clean and protect wounds without opening the cover, with QuickTreat bandage and BZK dispensers.
- 370 multi-purpose, essential first aid supplies for treating cuts, scrapes swelling and burns.
- Clear front cover to find items easily.
- Tilttable shelf compartments to keep supplies organized and easy to access in an emergency.
- Ergonomic handle for comfortable carrying and wall mounting holes for storage.
- Great for use at an office, school, worksite and home.

Interior with organized shelving for easy access to first aid components.
