GENERAL PURPOSE GLOVES

# Grip N® Kevlar® Hot Mill

Grip N® Kevlar® Hot Mill

## Overview

**Seamless knit: glove-within-a-glove design: kevlar and cotton outer shell and cotton/poly inner shell allows for thermal protection up to 400° F. The Nitrile 'N' coating on both sides of glove for added grip on wet or dry objects.**

Features & Benefits:

- Provides protection against intermittent heat up to 400° F
- Nitrile palm coating provides excellent grip and longer life
- Knit design allows hands to breathe: unlike cut/sewn hot mill gloves
- Two glove design has outer glove made of Kevlar and cotton for cut and slash protection: and an inner glove of cotton/polyester for insulation

**Available sizes: One size**

## Specifications
