Customer Ingredient Specification

Product: Premium - USDA Grade A, Sorted Whole Frozen Cranberries: - Net weight 40lbs. / Case.

Product Description: Our Cape Cod Select Premium grown cranberries are matured on the vine and harvested to obtain the ripest, freshest fruit that customers expect in a premium product. The fruit is optically sorted, sized, washed and dried to guarantee premium color, quality and freshness. The product is free flowing, for ease of handling.

Specifications Tolerance

COLOR: Bright, fairly uniform red to dark red color typical of cranberries with no more than 4% white/green/yellow. Chemical color analysis will exceed 30mg / 100g fruit.

SIZE: 95% within 13/32" and 3/4". Average fruit weight of 1.4 to 1.6 g/berry (285-325 per pound).

DEFECTS: Equivalent to U.S.D.A. Grade A.

FOREIGN MATTER: Practically free of harmless extraneous plant matter, stems, foreign matter, and insect material.

Unusable fruit not to exceed 3%.

Guarantee: We guarantee that this product is not adulterated or misbranded within the meaning of the Federal Food, Drug and Cosmetic Act, including Pesticide, Chemical, and Food Additive Amendments to this Act. We use only registered pesticides and no illegal or unsafe residues remain on the fruit. This product meets all standards for USDA Grade A specifications.

Packaging & Labeling: 40Lb. Corrugated Cases with blue poly liner.
