

European Union's No. 1 Professional Skincare Brand

Founded in 1956 in Germany by Dr. Michael Babor, the brand has always stood for innovation and results-driven skincare. His dedication to creating highly effective formulas, paired with expert guidance and personalized treatment systems, established BABOR as Europe's #1 professional skincare brand. Today, the company remains family-owned in its third generation, proudly continuing the same legacy of excellence and commitment to skincare innovation.

GROUNDING

Step into a tranquil oasis were soothing eucalyptus drifts through the air, mingling with the comforting warmth of amber and vanilla. Let this inviting blend wrap you in a cozy embrace, bringing a sense of calm and soul – nourishing care to your hair and body.
