

Acrylic Frosted Cube Riser Set

AC579

RISER, ACRYLIC, FROSTED CUBE, SQUARE, SET OF 3
5" SQ.; 7" SQ.; 9" SQ.

Pack: 4 Cu. Ft.: 2.41 Weight: 34 lbs

As attractive as these 5″ SQ., 7″ SQ., and 9″ SQ. frosted cube risers are when lit from within, they boast a versatility that makes them a must-have for anyone looking to create a buffet presentation that makes an impact. Flip a riser upside-down, and you have an elegant way to display silverware, condiments or even fresh flowers. These magical, versatile risers come in a set of three different sizes, giving you alternating heights for visual appeal and convenient nesting storage. The look of frosted acrylic brings a chic touch to any food presentation setting.
