## Notes & Details

Keep food at the perfect servable temperature for long periods of time with this Acopa full size stainless steel electric chafer with cover. This chafer includes everything you need to serve signature dishes and keep them hot. Its 24 gauge, 18/8 stainless steel steam table pan is built to last thanks to double reinforced corners and heavy-duty construction that resists bending. It even features anti-jam stacking lugs, so separating it from other pans in storage won't be a hassle. The pan is kept warm by the included electric water pan / warmer, which features thermostatic controls for easy and precise temperature adjustment.

The warmer's flameless heat provides a safer alternative than using chafer fuel, making this warmer especially perfect for events where younger guests are in attendance. Plus, its 14.3 qt. capacity allows you to refill it less often, so you and your employees can dedicate your time to serving guests. The chafer cover fits perfectly ovetop of the full size pan, keeping heat inside and food fresh. The cover also boasts stainless steel construction, making it easy to clean and ensuring its durability to last through many events. Its half-circle handle makes it easy to remove and replace with control. Reach for this Acopa electric chafer to serve delicious courses safely and conveniently!

**Chafer Includes:**

- Full size steam table / hotel pan
- 14 qt. electric chafer water pan / warmer
- Full size chafer cover
