Notes & Details

Use this Acopa 6 qt. wrought iron pillar round chafer with dome cover to create a beautiful buffet setting without breaking the bank! This combines stainless steel, with a mirror-polish finish and a durable iron stand for great contrast and a unique look. The half-circle handle on the top of the lid matches this chafer's stainless steel construction and allows for easy and safe access to the food. Two side handles on the chafer's frame enable easy and steady transportation. Meanwhile, four broad legs ensure optimum stability.

Furthermore, the included fuel can holder ensures patron and staff safety, keeping hands, clothes, and other flammable contents a safe distance from the flame. Plus, the handle and cover can be used to extinguish the flame.

By combining function with elegance, this chafer will not only impress your guests and customers, but it will also ensure your food stays at the perfect serving temperature for the duration of your event.

Chafer Includes:

- (1) 4" Water pan
- (1) 2" Food pan
- (1) Fuel holder
- (1) Dome cover
