Our Black Twilight Angled Risers are modernizing buffetware design at full tilt. The unique angled construction makes self-service easier and looks striking in the process. It's an inventive way to make bowls or dishes stand out from the crowd in a buffet. Each set comes with three risers in different sizes, allowing you to create a beautiful tablescape of varying heights. And because they're crafted from durable iron, these elegant risers will be taking your dishes to the next level for a long time.
