

ODS 450

Fryer oil disposal system, electric

Available versions

Identification Number	Product description
	50 lb Oil Disposal System; electric pump

Draining, transporting and disposing of spent frying oil becomes much easier with the Henny Penny ODS 450 oil disposal system. Just roll out the fryer filter pan, roll the ODS 450 in place and drain. No tilting, stooping or lifting involved.

Features

- Powerful motor empties 50 lb (23 kg) of oil in less than a minute
- Low profile 8 in (203 mm) drain height allows unit to roll under nearly any fryer for direct draining
- Flexible discharge hose with quick-connect attachment to bulk disposal line
- Hinged drain pan lid with latch closes over perimeter seal to prevent spills
- Swivel casters in front, large 7 in (178 mm) rear wheels for smooth, stable transport
- Unit comes with power cord and adapter with NEMA L5-15 plug
