Shipping weight	528 lbs. (265 kg)
Carton shipping cube	65.3 cu. ft. (1.85 m³)

Henny Penny Evolution Elite® open fryers incorporate innovative reduced oil capacity technology that allows operators to significantly reduce frying oil consumption and extend the oil's useful life.

Features

- Cooks the same amount of product with approximately 40% lower oil volume than standard 50 lb. per well fryer.*
- Oil Guardian™ automatic oil top off—sensors continually monitor oil level and replenish oil as needed from onboard JIB.
- Filter vats individually as needed in less than 4 minutes while cooking in other vats.
- Heavy-duty stainless steel vats with 7-year warranty.
- Heavy-duty basket rests, removable for cleaning.
- Flat, hinged heating elements making vat clean-out quick and easy.
- 4 heavy-duty casters, 2 locking.
- Programmable computer controls with oil and energy management features, including idle and melt modes, filter tracking, load compensation and proportional control.
- Stainless steel construction for easy-cleaning and long life.
- Comprehensive start-up training

Listings

*Based on throughput tests according to ASTM standards

Warranty: 7 years fry pot (limited); 2 years parts; 2 years labor.
