

# PUMP & NON-INSULATED BASE COMBO ARBY'S SYRUP RAIL

80502

## BID DESCRIPTION

This custom rail combination for Arby's has a non-insulated stainless steel base with a brushed (#4) finish to reduce the visibility of fingerprints. Server Products' BP style pumps combine a stylish and durable stainless steel head assembly with a plastic cylinder. BP pumps are NSF listed for Clean-In-Place or can be fully disassembled for cleaning. All three pumps are preset to dispense ½ oz per stroke and come engraved with either a "C", "J" or "LTO".

## STANDARD FEATURES

- Stainless steel construction with a brushed finish on base to reduce the visibility of fingerprints
- Stainless steel pump with plastic cylinder has few parts
- Pumps break down completely for cleaning or can be cleaned in place
- NSF listed
