The Auto Serve 8 Ounce Popcorn Stand was designed to seamlessly and stylistically fit the form and function of the Auto Serve 8 Ounce Popcorn Machine.

Paragon's Auto-Serve Popcorn Machine provides a new innovation for popcorn lovers to conveniently dispense their own popcorn in a touchless environment. For the popcorn vendors, it's as simple as popping corn, locking the cabinet and ensuring popcorn cups are available for their customers to hygienically vend their own popcorn and even pump their own butter. The Auto-Serve is the perfect popcorn machine for convenience stores, movie theaters, retail, grocery stores, bars, restaurants, schools, other events and beyond!

### Key Features:

- All stainless steel construction
- Lockable storage cabinet
- Lockable waste basket access
- Removable butter drip pan
- Removable waste grate
- Popcorn cup holder
- Internal master power strip serves as a master power on/off switch to plug in the Auto Serve Popcorn Machine and Pro-Deluxe Butter Warmer (both sold separately).
- The Auto Serve stand measures 29.5" W x 24.5"D 36" H", 90 pounds

Convenient storage cabinet

On/Off switch serves as a master switch for the internal receptacle for popcorn machine and warmer plugs

Internal power strip allows additional appliance plugs to be hidden away and plugged into the stand inside the unit.

The Auto Serve Stand provides two lockable cabinets securing the handy storage area and the hidden waste basket.

A convenient cup holder (46 Ounce) allows your customers easy access to the dispense and cup and self-serve popcorn

A waste bucket can be accessed behind a locked cabinet underneath the waste grate to capture popcorn spills.

Auto Serve 8 Ounce Popcorn  
Machine and Stand

Holes in the stand firmly secure the  
Auto Serve Popcorn Machine and  
Pro-Deluxe Butter Warmer (both  
sold separately)
