Notes & Details

Designed specifically for use in your AvaMix Revolution food processor, this continuous feed attachment is a direct replacement for the original part. It helps consistently feed food through the cutting assembly for easier operation. A 5/32" slicing and 1/4" grating disc is included, along with a plastic ejector disc. A 6" x 3" kidney opening and 2" cylindrical opening can accommodate an array of different foods. It is great for vegetables like carrots, cucumbers, and celery. Be sure to replace this part should it become damaged or faulty, to restore your unit to proper functionality.
