Notes & Details

Make short work of mixing or blending jobs right in the bowl or stock pot with this AvaMix IBHDW10 heavy-duty variable speed immersion blender whisk! Boasting two 10" stainless steel blending whisks that allows you to blend, mix, or whisk foods with ease, this heavy-duty blender is a versatile tool that every commercial kitchen needs. Great for soups, sauces, mashed potatoes, or mousses, this unit has a 1 1/4 hp motor for blending products at up to 18,000 RPM.

To provide the operator with full control, this blender features a variable speed mechanism that allows you to adjust the rate with which you're whipping or emulsifying your products. This unit also includes a lock button for convenient, hands-free operation. The blending shaft and whisk attachments easily detach from the base so you can hand wash them in your sink, making clean up at the end of a long night a quick and effortless task. A 120V electrical connection is required for operation.
