Technical Data

Type	Sharpening Stones
------	-------------------

Features

- For use with AvaMix 1 hp food processor "S" blades (sold separately)
- Sharpens your blade with ease
- Long-lasting, heavy-duty construction

Notes & Details

Designed specifically for use with your AvaMix 1 hp food processor "s" blades, this AvaMix 928PFPHSTONE honing stone is designed to keep your smooth "s" blades sharp and ready for use. With this honing stone, you can keep your blades in pristine condition. Blades naturally wear down over time, but with this honing stone you can have them sharp as new.
