Notes & Details

Use this AvaMix 928PGFBTL blade assembly removal tool to quickly and efficiently remove the blade assembly from your AvaMix BX1GRG 1 gallon blender! When it comes time for a deep, thorough cleaning of your blade assembly, use this tool to unscrew the metal locknut and remove it from the bottom of the blender jar. A useful item to keep on hand at your bar or restaurant, this blade removal tool will help you get the job done in a swift and timely manner.
