Notes & Details

Ensure your pre-heated foods are held at food-safe temperatures with this Avantco bottom mount drop-in full size hot food well. Ideal for restaurants, caterers, buffets, and cafeterias, this unit boasts a durable, rugged stainless steel construction with heavy-duty hardware, which makes it perfect for both front- and back-of-house use. This unit features a fully insulated well with square corners. Use this food well to hold anything from soups and vegetables to pastas and fried chicken.

This hot food well uses thermostatic controls and includes a 1/2" drain with a screen, helping to prevent food waste from entering your plumbing waste line. Plus, it's easy to install and comes with a remote control box with a 3' long cord. This food well features a 6 1/4" deep 20 1/8" x 12 3/16" well with a bottom mount, drop-in design and 1,500W of power. It requires a 120V electrical connection for operation.
