Notes & Details

Serve fresh hot dog buns every time with this Avantco BW32 32 bun stainless steel bun warmer! This bun warmer can hold up to 32 hot dog buns at a time and keeps buns fresh and warm by providing consistent dry heat. Its compact size allows you to serve fresh hot dog buns without wasting valuable counter space. Plus, this bun warmer has feet indentations on top, so you can even put your Avantco RG1830 roller grill on top of the warmer for even more space saving and quicker service for your customers!

This bun warmer comes with a convenient drawer that is removable and dishwasher safe, so you can always keep a clean unit when serving to guests every day. Constructed entirely of durable stainless steel, this bun warmer gives a sleek, professional look that seamlessly blends into any eatery. Plus, with a sliding drawer, you can quickly and easily access the hot dog buns every time. Keep your hot dog buns consistently fresh for your guests with this bun warmer!
