Notes & Details

Take the convenience of range cooking foods to your countertop or on the go with this Avantco 177EBS102 double burner solid top portable electric hot plate. Featuring 1,800 watts of cooking power, this hot plate allows you to easily prepare meals anywhere! Perfect for omelet bars, this unit gives you the cooking power you need in a portable form, all without the open flame and fuel needed to power a comparable butane range.

This hot plate features a sleek stainless steel housing, and the 7" and 6" cast iron burners are also easy to clean. With simple controls as well as its lightweight and portable design, this unit is easy to use and take with you on the go, perfect for pan frying, sauteing, and simmering at low-volume catered events and buffets. It requires a 120V electrical connection to operate.
