**Notes & Details**

This Avantco 177EST2SG overshelf with sneeze guard for STE-2S, STE-2SG, STE-2MG, and STE-2M steam tables is a great way to increase the versatility of your steam table, and get the most out of your equipment! This overshelf provides vertical storage space for you to place commonly used tools, utensils, and condiments, or you can use it to serve plated meals, too. It also features an acrylic sneeze guard panel to shield your culinary creations from harmful pathogens. Best of all, installation couldn't be easier! It attaches using simple screws, which fit in pre-drilled holes within the steam table. It's an excellent addition to any serving line!
