- Durable wire mesh design
- Front hook fits on a basket hanger rail for convenient draining
- Coated handle protects employees from burns
- Durable construction for long lasting use

Avantco Equipment

## Plan View

## Notes & Details

Replace a damaged fry basket or keep an extra one on hand with this Avantco 177FB1366 fryer basket with a front hook. A perfect fit for your Avantco 40 lb. or 50 lb. floor fryer, this basket lets you efficiently fry up portions of french fries, chicken fingers, popcorn shrimp, deep-fried pickles, and more! Use this basket to replace a broken one, or keep an extra basket on hand for the times when you need a clean basket.

With a durable wire design, this basket keeps food suspended in hot oil for even cooking on all sides, but then allows the oil to quickly drain away after cooking. The front hook fits over a basket hanger rail, so you can make sure all excess oil drains off your fresh fried foods before you serve them. Plus, the coated handle provides a cooler grip that protects employees from burns.
