Notes & Details

Create your most popular sandwiches, quesadillas, hamburgers, and more with the Avantco P88SG double grooved top and smooth bottom commercial panini sandwich grill! This sandwich grill features 3500 watts of heating power for fast and thorough cooking. The top grooved grill plates provide tantalizing grill marks for an excellent presentation, and its smooth bottom plate ensures complete contact with your product and consistent, even heat supply. For outstanding performance, the double grill design enhances your kitchen's efficiency. The temperature is individually adjustable between 120 and 570 degrees Fahrenheit to cook or warm a wide variety of foods, while the stainless steel exterior and cast iron plates ensure long-lasting durability and strength. And thanks to the included drip tray, cleaning up is a breeze after every use. This unit is supplied with 2 plugs and must be operated using 2 separate 120V circuits.
