Notes & Details

Great for boosting impulse sales at concession stands or convenience stores, this Avantco RG1812 hot dog roller grill is perfect for hungry customers who are looking for a quick, fresh snack on the go. Featuring 5 rollers and 430W of heating power, this roller can hold up to 12 sizzling hot dogs at a time. This unit features a temperature control switch so you can adjust for both cooking and holding, while a removable drip tray and all stainless steel construction makes cleaning a breeze. Sturdy non-skid feet ensure that the grill won't move around during operation.

As an added benefit, this roller can be used for other items like breakfast sausages and egg rolls, allowing you to further expand your hot menu with a single piece of equipment!
